Childcaring, Inc. is a **Child Care Resource & Referral (CCR&R) non-profit agency,**

guided by its mission to be the key resource of comprehensive child care services that support and enhance the quality of the early care and education system.

"I had tried using an online child care ad service and personal referrals to find a daycare for my child, but the Childcaring referral was much more helpful in narrowing down caregivers close to my home/work. Also, having a child care provider that is licensed is comforting, especially when you don't know anyone. We are new to town, and we don't have any family nearby- so it was extremely helpful! Thanks again!"
