Parent Cafés

What happens at a Parent Café?

Families will enjoy dinner together in the school cafeteria from 5:00 - 5:45 PM. After dinner, the children will transition to the family resource room and enjoy developmentally appropriate activities provided by Tyler's Home. Parents will gather in the library to begin the Parent Café from 6:00 - 7:30 PM.

Over the course of the Parent Café series, parents will discuss various themes in small groups facilitated by a Parent Host. Topics may include:

- ⇒ Taking Care of Yourself
- ⇒ Being a Strong Parent
- ⇒ Building Strong Relationships with Your Children

Parent Cafés:

- ⇒ Are unique - every parent's voice is heard.
- ⇒ Are a fulfilling way for parents to talk, to listen, and to support others with stressors, worries and challenges that many have struggled with alone.
- ⇒ Support parents in building friendships and a strong network of families who help each other stay strong!

The three café themes include five “protective factors” and provide a framework for parents to relate them to your own lives. The Five Protective Factors include:

- ⇒ Be strong and flexible
- ⇒ Parents need friends
- ⇒ Being a great parent is part natural and part learned
- ⇒ We all need help sometimes
- ⇒ Parents need to help their children communicate

Research from the Center for the Study of Social Policy (CSSP) and Strengthening Families™ of Illinois shows that when Protective Factors are present in a family, a family is stronger and children are safer.

Through Parent Cafés, parents are working to build these Protective Factors in their families.

These sessions are made possible by the following agencies:
