

# THANK YOU EARLY CHILDHOOD PROFESSIONALS CARD PROJECT

*A fun way to volunteer*

Thank YOU for your help:

- Cards should be no larger than 5"x7" (folded)
- Please decorate a card and add a message inside to thank early childhood professionals. *Some examples include:*
  - Thank you for taking care of our earliest learners!
  - Thank you for helping children grow and learn!
  - Thank you for helping children and families to grow stronger!
- Need more inspiration? Childcaring staff put together this video with a variety of messages thanking early childhood professionals:  
<https://youtu.be/2RUWFkQnTw>
- Please have the artist sign their name (first name is fine).
- We are collecting cards all year, but we hope to send out cards for Provider Appreciation Day (May 7, 2021). For this mailing, please return cards to Childcaring by April 1. Our staff will mail them to the over 300 regulated providers in our service area as part of a packet with other materials.
- Contact Childcaring (715-841-9490; [info@childcaring.org](mailto:info@childcaring.org)) for more details and to be added to the volunteer list. All ages are encouraged to participate.
- Please do not address a specific person/place; Childcaring can not guarantee which child care provider in our area will receive your card.
- Please Note: By participating in this activity, you are granting permission to Childcaring to use your art, without compensation, in any print, electronic and digital platforms.
- Mail or call us to deliver cards to the Childcaring office:  
850 Highway 153, Suite F, Mosinee, WI 54455 / 1-800-628-8534

*thank you, smile maker!*
