

# THANK YOU EARLY CHILDHOOD PROFESSIONALS CARD PROJECT

*A fun way to volunteer*

Thank YOU for your help:

- Cards should be no larger than 5"x7" (folded)
- Please decorate a card and add a message inside to thank early childhood professionals. *Some examples include:*
  - Thank you for taking care of our youngest learners!
  - Thank you for helping children grow, learn and play!
  - Thank you for helping children and families to grow stronger!
- Need more inspiration? Childcaring staff put together this video with a variety of messages thanking early childhood professionals:  
[Thank You Video](#)
- Please have the artist sign their name (first name is fine).
- We collect homemade cards all year to collect and mail out cards for Provider Appreciation Day (the Friday before Mother's Day). Our staff sends them to the over 300 regulated child care providers in our service area. Please return cards to Childcaring by April 1.
- Contact Childcaring (715-841-9490; [info@childcaring.org](mailto:info@childcaring.org)) for more details and to be added to the volunteer list. All ages are encouraged to participate.
- Please do not address a specific person/place; Childcaring can not guarantee which child care provider in our area will receive your card.
- Please Note: By participating in this activity, you are granting permission to Childcaring to use your art, without compensation, in any print, electronic and digital platforms. [View homemade card donations](#).
- Mail or call us to deliver cards to the Childcaring office:  
850 Highway 153, Suite F, Mosinee, WI 54455 / 1-800-628-8534

*thank you, smile maker!*
