

CHILD CARE INFO SESSIONS

Are you interested in becoming a regulated child care provider?
Attending a Child Care Info Session with your local CCR&R
(Child Care Resource & Referral Agency) can help you learn:

- Which type of regulated child care program is right for you (Certified, Family, or Group)
- What it means to be regulated and what steps you need to take to become regulated
- Resources available to you as you work toward regulation
- How to get started

Contact your local CCR&R
