Childcaring Can Guide You Through the Process of Starting a Child Care Business *Early Childhood Professionals Needed – Contact Childcaring*

Are you or someone you know interested in providing child care? Starting a child care business is one of the most important and rewarding careers you can have. Childcaring, your local child care resource and referral, provides a variety of services to help you start a child care business.

Do you have questions like:

- How many children can I legally care for?
- What are the benefits to becoming regulated?
- What classes or training do I need to get started?

Attend a virtual information session to get your questions answered.

Childcaring is offering FREE Virtual Information Sessions on Child Care Start Up, facilitated by Childcaring Certifier/Pre-licensing Technical Consultant Gayle Schiszik:

- Thursday, July 7 from 12:30-2:30pm (Register by Thursday, June 30)
- Additional fall start up sessions will be offered: Tuesday, September 20th and Wednesday, November 9th

To achieve optimal experience, you must have a reliable internet connection and technology that supports video and audio. A link to log into the session will be sent via email prior to the session.

Childcaring helps build the supply of quality child care by providing support and resources to child care providers. FREE foundational trainings are now available. Contact Childcaring to learn more about these courses and how you can sign up. Childcaring also offers pre-licensing technical assistance to individuals pursuing a child care license. Once a child care provider is regulated, Childcaring provides FREE referrals to their program.

Start-Up Grants are Available!

The grants are intended to assist individuals with start-up costs associated with opening and providing regulated care. Eligible providers have used startup grant funding to purchase equipment, materials and classes required to obtain regulation. Some examples include: safety gates, developmentally appropriate materials for a variety of age groups, smoke detectors, etc.

If you enjoy helping children and families, contact Childcaring to learn more about a career in child care. Register for a FREE Virtual Information Session today! Call: 1-800-628-8534 or visit: www.childcaring.org for more information.

About Childcaring
