

EC Explorer
online learning

EC Explorer is the online platform used by Childcaring. Online trainings are self-paced for participants to complete within a set time period. As a participant you will listen to recorded content and have activities and discussions required to be completed within the timeframe. Childcaring staff will facilitate the training, participate in discussions, review coursework, and answer questions.

Accessing EC Explorer

Once enrolled into the course by Childcaring, you will receive an email like the one below. If you do not receive this email by 9:00 am of the first day of the training, please check your junk/spam mail. If you still don't receive it, please contact Childcaring at 715-841-9490.

The yellow highlighted parts will be unique to you and the training you signed up for.

- If you have previously taken a course through EC Explorer, you can use the same username and password you created.
- If this is your first time taking a course through EC Explorer, you will need to login using your username (firstname.lastname) and reset your password to access the course.
- Direct link to EC Explorer login in page: <https://ecexplorer.brightspace.com/d2l/login>
